New Movement Regulation

The Government has published a new movement regulation that allows tenants to move in or out of rental properties **from 07th May 2020 until the 07th June 2020.**

This means that tenants may now move in and out of rental properties. It also permits tenants to move across provinces, metropolitan areas or district for purposes of relocation.

Documentation needed for relocation

Tenants who wish to vacate can obtain a blank copy of the permit from the Housing Supervisor and they must present this permit, together with their lease agreement and identification to SAPS for completing and stamping.

We continue to urge you take the necessary precaution in keeping yourself and your loved ones protected against the Covid-19 virus. Wash your hands regularly and please wear a mask.

Thanking you
